Corrientes

Casa de Esteros

Casa del estero inn is a country house located in Colonia Carlos Pellegrini. Its location allows you to be in a natural environment and feel the calm of the countryside, having the pedestrian area and the main square of the town just a few meters away.

The house has a living room with a library, parks and gardens over the lagoon and a swimming pool located on the coast of the estuary.

Hospitality

Acommodation

Our rooms, comfortable, spacious and bright, preserve the decoration of refined rural homes, with the comforts and service of a professional hotel.

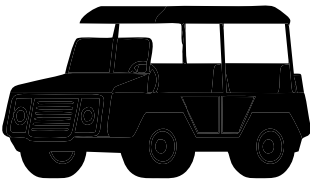

We have five rooms with private bathrooms that can accommodate up to four people in each one.

Hospitality

Safari

We offer navigations through different sectors of the Iberá Lagoon, visiting areas of reservoirs, forests and grasslands where wildlife viewing is excellent: alligators, capybaras, swamp deer, river otters and birds of various species.

Night Safari

The night safari travels by van along route 40 from the inn to the south, arriving at Lobo Cuá, where we walk into a small lapacho mount, reaching the edge of the Iberá Lagoon. We accompany the route with reflectors that allow us to find and observe nocturnal fauna: foxes, skunks, corzuelas, vizcachas, among others.

Interpretation Centre Ranger Sector Trail

The visit to the "Agua Brillante" Interpretation Center, located at the southern access to Pellegrini, allows the guest to understand the meaning of the natural and cultural legacy of the Iberá Reserve. From there, 3 trails start that are followed after the visit to the Interpretation Center.

Kayak

Paddling in the Ibera Lagoon allows the visitor direct contact with the biodiversity of the estuaries. The outings are accompanied by guides qualified for this activity.

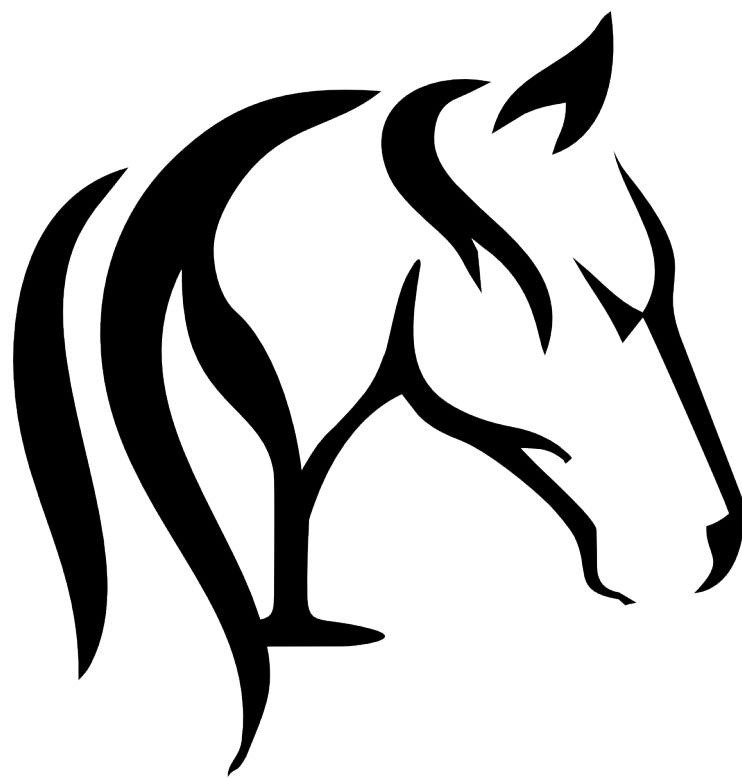

Horse Riding

This cavalcade runs through the sandy streets of the Colonia reaching the coast of the estuary. It is ideal for those who have little experience on horseback and to get to know the culture of the place.

Circuit Pellegrini

This is a guided tour by "the women of the Colonia", which allows you to learn about the history, customs and traditions of the Carlos Pellegrini Colonia.
